Crew Cab

CREW CAB

Opel Vivaro

The perfect solution

A Opel Vivaro that is equipped with a Crew Cab from Snoeks is the ideal solution for transporting people and cargo safely, comfortably and efficiently.

Developed with Opel

The Snoeks Crew Cabs for the Opel Vivaro have been developed in close collaboration with Opel. As a result, the Snoeks second-row seating solutions meet the European safety requirements and the quality and safety requirements of the manufacturer.

Merged Perfection

The Snoeks Crew Cab is specifically designed for the Opel Vivaro and therefore fits seamlessly into the vehicle and matches the design of the front cab. That is what we like to call, "Merged Perfection".

For every type of Vivaro

No matter what type of Vivaro you have, we have the suitable Crew Cab in our program.

UNIQUE BENEFITS

Opel Vivaro Crew Cab

1. Maximum comfort

A Vivaro with a Crew Cab offers up to three additional seats with maximum comfort for your passengers.

2. Maximum load area

Thanks to the clever design of the Crew Cab, the loss of cargo space is minimal.

3. Practical interior

Your passengers can easily store small items in the handy storage compartment in the bench cover.

4. Optimal safety

The Crew Cab meets the European safety requirements. All seats are equipped with 3-point safety belts and functional headrests.

5. Your business card

In every detail, the Vivaro Crew Cab looks stylish and is completely in line with the design of your Opel Vivaro.

6. Protection against cargo

Your passengers are protected against shifting cargo thanks to the robust partition wall that separates passengers from cargo.

7. Relaxed driving

By using high quality materials and a high standard of finishing your passengers can enjoy the ride as much as you.
