CREW CAB

Fiat Talento

The perfect solution

A Fiat Talento that is equipped with a Crew Cab from Snoeks is the ideal solution for transporting people and cargo safely, comfortably and efficiently.

Developed with Fiat

The Snoeks Crew Cabs for the Fiat Talento have been developed in close collaboration with Fiat. As a result, the Snoeks second-row seating solutions meet the European safety requirements and the quality and safety requirements of the manufacturer.

Merged Perfection

The Snoeks Crew Cab series is specifically designed for the Fiat Talento and therefore fits seamlessly into the vehicle and matches the design of the front cab. This is what we like to call, "Merged Perfection".

For every type of Talento

No matter what type of Talento you have, we have a suitable Crew Cab in our program. In addition, we offer three different trim levels, with which you can choose the desired equipment level.

UNIQUE BENEFITS

Fiat Talento Crew Cab

1. Maximum comfort

A Talento with a Crew Cab offers up to three additional seats with maximum comfort for your passengers.

2. Long objects

The practical loading space under the bench allows to transport long items.

3. Unique character

There is a choice between three Trim levels: Basic, Comfort and Luxury. In the comfortline you receive three adjustable seats with 2 folding seat with a storage pocket under the seats.

4. Connectivity

Charge your smartphone or laptop using the 12V / USB connections.

5. Optimal safety

It goes without saying that our double cabin meets the European safety requirements. For example, all seats are equipped with 3-point belts with belt latch system and adjustable headrests. In addition, the outer seats are equipped with ISOFIX and Top Tether.

6. Maximum load area

Thanks to the clever design of the Crew Cab, the loss of cargo space is minimal.

7. Practical interior

Your passengers can easily store small items in the handy storage compartments in the bench and in the sidewall.

Specifications above can be different per trim level, view an overview further in this brochure.
