## OPTIMAL EASE OF USE

Choose a Crew Cab version and easily add extra seats to the vehicle. This makes the daily transport of materials and people even easier.

The Crew Cab makes optimum use of the space thanks to the practical layout equipped with the latest technology. Passengers enjoy generous seating comfort with sufficient legroom. The practical storage compartments in the bench and side panels keep the cabin tidy. Thanks to the clever design of the Crew Cab, the loading space is retained to a maximum.

### **01 LUXURY SIDE WALL FINISHING**

The high-quality sidewall finishing gives the Crew Cab a professional look. The comfort version is equipped with a sidewall finishing with storage compartment and cup holder.

### **02 SMART STORAGE IN THE TOP COMPARTMENT**

Need extra storage? Above the safety window is a handy top compartment, perfect for safely storing extra items.

### **03 LOADING UNDER THE PARTITIONWALL**

The extra loading space under the bench makes it easy to transport materials up to 2420 millimetres in length.
