

RENAULT TRAFIC
Crew Cab

CREW CAB

Renault Trafic

The perfect solution

A Renault Trafic ('21) that is equipped with a Crew Cab from Snoeks is the ideal solution for transporting people and cargo safely, comfortably and efficiently.

Developed with Renault

The Snoeks Crew Cabs for the Renault Trafic have been developed in close collaboration with Renault. As a result, the Snoeks second-row seating solutions meet the European safety requirements and the quality and safety requirements of the manufacturer.

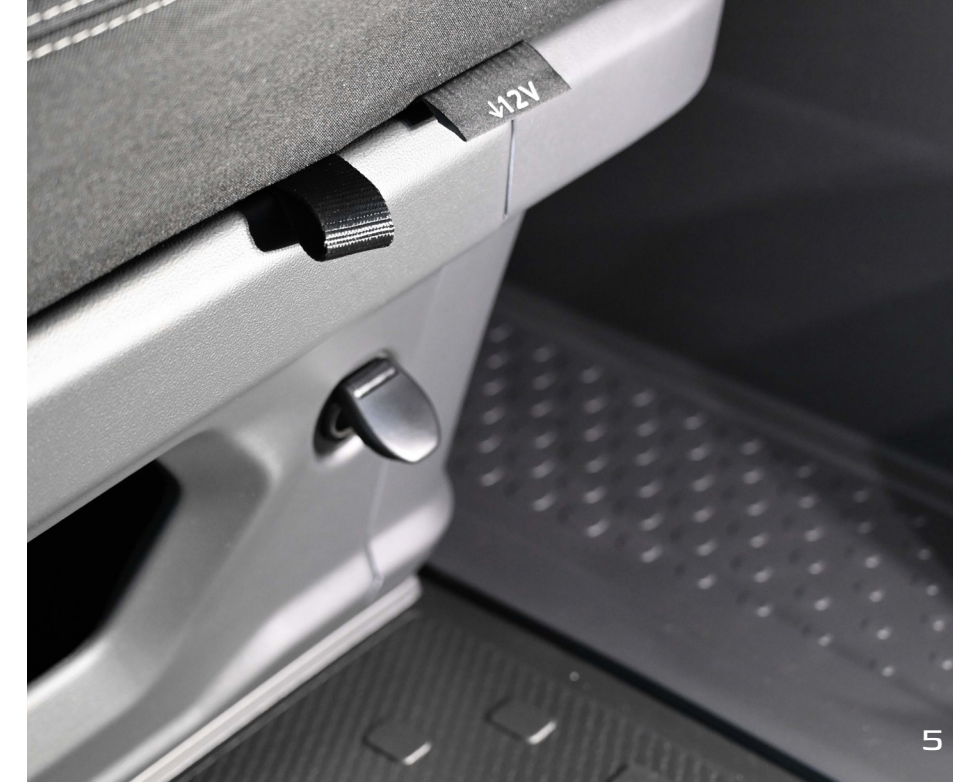

Merged Perfection

The Snoeks Crew Cab series is specifically designed for the Renault Trafic and therefore fits seamlessly into the vehicle and matches the design of the front cab. This is what we like to call, "Merged Perfection".

For every type of Trafic

No matter what type of Trafic you have, we have a suitable Crew Cab in our program. In addition, we offer two different trimlevels, with which you can choose the desired equipment level.

UNIQUE BENEFITS

Renault Trafic Crew Cab

1. Maximum comfort

A Trafic with a Crew Cab offers up to three additional seats with maximum comfort for your passengers.

2. Practical interior

Your passengers can easily store small items in the handy storage compartments in the bench and in the sidewall.

3. Optimal safety

The Crew Cab meets the European safety requirements. All seats are equipped with 3-point safety belts and functional headrests. ISOFIX and Toptether are standard at each trimlevel on the outer seats.

4. Long objects

The practical loading space under the bench allows to transport long items.

5. Connectivity

Charge your smartphone or laptop using the 12V connections.

6. Your business card

In every detail, the Trafic Crew Cab looks stylish and is completely in line with the design of your Renault Trafic.

Specifications above can be different per trim level, view an overview further in this brochure.
