

PEOPLE CARRIER

Fiat Scudo

PEOPLE CARRIER

With the Snoeks people carrier conversion kit, the Fiat Scudo Combi can be transformed into an ideal vehicle for passenger transport. Our conversion kit has been developed with the vision to improve functionality and passenger comfort. The taxi conversion kit is modular and can be tailored to local market requirements. The standard kit includes:

1. A revised position of the 2nd seating row to allow easy access to the 3rd row;
2. A robust handle for easy entry and exit via the sliding door side;
3. A large panoramic sun roof to create a pleasant light ambiance on the 2nd and 3rd row. Also, the sun roof made of tempered glass, has the function of an emergency exit. A life hammer is provided on the headliner.

THE BASE VEHICLE

- L2H1 and L3H1;
- Sliding door right with fixed windows;
- Bench 2/3 and seat 1/3 (folding) on the 2nd seat row.

EXCLUDED FACTORY OPTIONS

- Additional rear airconditioning;
- Panoramic sun roof (factory fitted);
- Curtain airbags 2nd and 3rd row.
