

**FIAT SCUDO**  
Crew Cab

# CREW CAB

Fiat Scudo

## The perfect solution

A Fiat Scudo that is equipped with a Crew Cab from Snoeks is the ideal solution for transporting people and cargo safely, comfortably and efficiently.

## Developed with Fiat

The Snoeks Crew Cabs for the Fiat Scudo have been developed in close collaboration with Fiat. As a result, the Snoeks second-row seating solutions meet the European safety requirements and the quality and safety requirements of the manufacturer.

## Merged Perfection

The Snoeks Crew Cab is specifically designed for the Fiat Scudo and therefore fits seamlessly into the vehicle and matches the design of the front cab. That is what we like to call, "Merged Perfection".

# UNIQUE BENEFITS

## Fiat Scudo Crew Cab

### 1. Maximum comfort

A Scudo with a Crew Cab offers up to three additional seats with maximum comfort for your passengers.

### 2. Maximum load area

Thanks to the clever design of the Crew Cab, the loss of cargo space is minimal.

### 3. Practical interior

Your passengers can easily store small items in the handy storage compartment in the bench.

### 4. Optimal safety

It goes without saying that our double cabin meets the European safety requirements. For example, all seats are equipped with 3-point belts with belt latch system and adjustable headrests. In addition, the outer seats are equipped with ISOFIX and Top Tether.

### 5. Your business card

In every detail, the Scudo Crew Cab looks stylish and is completely in line with the design of your Fiat Scudo.

### 6. Protection against cargo

Your passengers are protected against shifting cargo thanks to the robust partition wall that separates passengers from cargo.

### 7. Relaxed driving

By using high quality materials and a high standard of finishing your passengers can enjoy the ride as much as you.

# TRIMLEVEL

Fiat Scudo Crew Cab
