

NISSAN PRIMASTAR
Crew Cab

CREW CAB

Nissan Primastar

The perfect solution

A Nissan Primastar that is equipped with a Crew Cab from Snoeks is the ideal solution for transporting people and cargo safely, comfortably and efficiently.

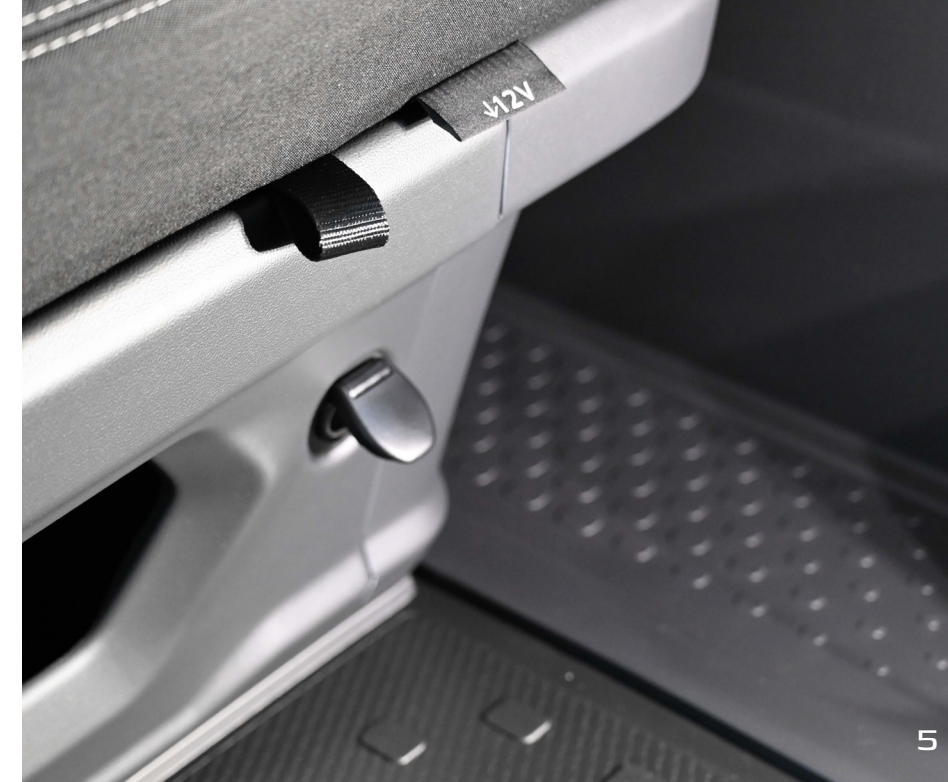

Developed with Nissan

The Snoeks Crew Cabs for the Nissan Primastar have been developed in close collaboration with Nissan. As a result, the Snoeks second-row seating solutions meet the European safety requirements and the quality and safety requirements of the manufacturer.

Merged Perfection

The Snoeks Crew Cab series is specifically designed for the Nissan Primastar and therefore fits seamlessly into the vehicle and matches the design of the front cab. That is what we like to call, "Merged Perfection".

UNIQUE BENEFITS

Nissan Primastar Crew Cab

1. Maximum comfort

A Primastar with a Crew Cab offers up to three additional seats with maximum comfort for your passengers.

2. Practical interior

Your passengers can easily store small items in the handy storage compartments in the bench and in the sidewall.

3. Optimal safety

The Crew Cab meets the European safety requirements. All seats are equipped with 3-point safety belts and functional headrests. ISOFIX and Toptether are standard at each trimlevel on the outer seats.

4. Long objects

The practical loading space under the bench allows to transport long items.

5. Connectivity

Charge your smartphone or laptop using the 12V connections.

6. Your business card

In every detail, the Primastar Crew Cab looks stylish and is completely in line with the design of your Nissan Primastar.
