# CREW CAB

Ford Transit Custom

## The Perfect Solution

The Ford Transit Custom equipped with the Crew Cab from Snoeks Automotive means the ideal solution for transporting people and cargo safely, comfortably and efficiently.

## Merged Perfection

The Snoeks Crew Cab is specifically designed for the Ford Transit Custom and fits seamlessly with the vehicle design. That is what we call: "Merged Perfection".

## For Every Type of Transit Custom

No matter what type of Ford Transit Custom you have, we offer a suitable Crew Cab. Choose between three different trim levels with your desired equipment level.

# UNIQUE BENEFITS

Ford Transit Custom Crew Cab

## 1. Maximum Comfort

A Transit Custom with a Crew Cab offers up to three additional seats with maximum comfort for your passengers.

## 2. Maximum Loading Space

The multifunctional design of the Crew Cab minimizes the loss of cargo space.

## 3. Practical Interior Design

Keep items organized using the convenient storage compartments underneath the bench and in the sidewall.

## 4. Optimal Safety

The outer seats have integrated ISOFIX and Top Tether as standard at each trim level. Additionally, three height-adjustable headrests are included as standard. These features ensure the Crew Cab meets the European safety requirements.

## 5. Foldable Seats

The unique storage space under the foldable seats allow extra storage for small items.

## 6. Unique Character

Choose between three trim levels: Essential, Comfort and Luxury. Starting from the Comfort level you'll receive LED-spots in the roof lining. An overview of important specifications is available on the following pages.

## 7. Relaxed Driving

Enjoy a high level of comfort with the foldable armrests with integrated USB A/C chargers.

The above specifications can be different per trim level. For more details see an overview on the following pages.
