## COMFORT. DESIGN. FUNCTIONALITY.

Expand the usability of the Ford Transit Custom with the Crew Cab. Add an extra row of seats that integrates seamlessly into the vehicle's original design and interior. The ergonomic and spacious layout ensures a comfortable and safe journey, while your cargo is transported in accordance with the latest safety standards.

The Ford Transit Custom Crew Cab is finished to a premium standard with excellent sound insulation and meets the highest quality and safety standards.

## MAXIMUM CAPACITY. MAXIMUM CONVENIENCE.

The practical design of the Crew Cab makes optimal use of every centimeter and offers the flexibility needed for everyday use. The generous cargo area, including smart storage beneath the rear seat, remains easily accessible and highly functional.

The Ford Transit Custom with Crew Cab offers the optimal combination of functionality and design, making it suitable for both business and private use.

01

02

### 01 ISOFIX AND TOP TETHER

Child seats can be easily and securely installed using the integrated ISOFIX and Top Tether features on the outer seats.

### 02 SEAT BELT REMINDER SYSTEM

All seats are equipped with a seat belt reminder system. This feature ensures maximum safety by reminding passengers to wear their seat belt while driving.

### 03 COMPAX PARTITION WALL WITH EXTENDED CARGO SPACE

The lightweight, durable separation wall is made from PET fiber. The dark melange fabric gives it a premium appearance. In addition, the wall provides sound & thermal insulation and safety for driver and passengers. Thanks to the extra loading space beneath the seat, materials up to 2370 mm in length can be transported..

03

### **01 LUXURY SIDEWALL FINISHING**

The high-quality sidewall trim gives the cabin a professional look. Depending on the Crew Cab variant you choose, the side wall is equipped with a storage compartment and a cup holder.

### **02 LED SPOTLIGHTS**

The Comfort and Luxe Crew Cab variants are equipped with three individually switchable integrated LED spotlights in the rooflining, providing optimal cabin illumination.

### **03 CHARGING ON THE GO**

Passengers in the Crew Cab can easily charge their mobile devices via the USB-A and USB-C ports in the fold-down armrest.

## MS-RT: Sporty Exclusivity

For those who won't settle for standard luxury, Snoeks introduces the Crew Cab in MS-RT trim. Based on the Exclusive version, it's a bold combination of sportiness, refined finish, and comfort. This edition takes the experience for both driver and passengers to the next level, with motorsport DNA in every detail.

Premium leather upholstery with contrast stitching creates an exclusive and sporty atmosphere. The rear seat features USB ports, under-seat storage, and a fold-down backrest with cup holders.
