MAXIMUM CAPACITY. MAXIMUM CONVENIENCE.

The practical design of the Crew Cab makes optimal use of every centimeter and offers the flexibility needed for everyday use. The generous cargo area, including smart storage beneath the rear seat, remains easily accessible and highly functional.

The Volkswagen Transporter with Crew Cab offers the optimal combination of functionality and design, making it suitable for both business and private use.

UNIQUE BENEFITS.

1. COMPAX® PARTITIONWALL WITH EXTENDED CARGO SPACE

The lightweight, durable partition wall is made from PET fiber. The dark melange fabric gives it a premium appearance. In addition, the wall provides sound & thermal insulation and safety for driver and passengers. Thanks to the extra loading space beneath the seat, materials up to 2370 mm in length can be transported.

2. LUXURY SIDEWALL FINISHING

The high-quality sidewall trim gives the cabin a professional look. Depending on the Crew Cab variant you choose, the side wall is equipped with a storage compartment and a cup holder.

3. SPEAKERSYSTEM

For an enhance audio experience, the Exclusive Crew Cab is equipped with speakers connected to the vehicle's audio system.
